Treasurer Report

The 2015-16 fiscal year closed with a balance of \$4459.97 in the bank as of Aug. 21, 2016. A \$298.80 variance from the financial report was attributed to the cash float in the Council safe that was deposited in June. The forecast had us closing the year at closer to \$2500. However, savings were realized on items purchased late in the year while other budgeted funds were simply not spent. The final summarized report will be posted on the Council website.

Principal Report

Rick welcomed parents and staff to Council and reminded parents to read the newsletters sent home on Fridays to ensure everyone knows what is going on at the school and deadlines are met. More to come on the grand opening of the school's new track.

Council Events and Committees

A tentative plan was tabled to suggest fundraisers that Council has organized successfully before and ask for volunteers if we are interested in conducting them again. Council is free to add or change these events as they see fit. Also Council committees were staffed with interested parents. Council parents volunteered as follows:
